SUMMARY

I obtained a master's degree in experimental physics "solid physics" in less than two years. I did research in the field of polymer, including what was published and what is under publication.

MOST PROUD OF

- 🏆 **Physical Organization**
Creative Thinking, Effectiveness, Productivity
- 📅 **Planning**
Analyzing Issues, Decision Making, Project Management, Strategic Planning
- 👥 **Team Work**
Collaboration, Delegation, Goal Setting, Group Leadership

PERSONAL SKILLS

HOBBIES

- ✈️ Travel
- 📖 Reading

COURSES

- | | |
|-----------------------|----------|
| TOEFL | Jul 2018 |
| citation for research | Jul 2018 |

EDUCATION

- Master's degree in Physics "Materials Science"** - Aug 2019
Zagazig University, Faculty of Science
- Solid State Physics, Polymer field**
Zagazig University, Faculty of Science

LANGUAGES

- English
- French
